NOTICE

Release of Environmental
Assessment

In compliance with the National Environmental Policy Act, the National Park Service (NPS) has recently completed an Environmental Assessment associated with a proposed exchange of certain easement interests between NPS and Waterside Conservation LLC within Piscataway Park in Prince George's County, Maryland. The Environmental Assessment details the specific terms and conditions of the proposed exchange of easement interests and also identifies and evaluates the anticipated impacts associated with the proposed exchange and alternative actions. The Environmental Assessment is available online and can be downloaded from the NPS website:
<http://www.nps.gov/pisc/>.

Written comments regarding the Environmental Assessment should be submitted by October 16, 2004 to Mr. James Rosenstock, Resource Management, National Capital Parks - East, National Park Service, 1900 Anacostia Drive, S.E., Washington, D.C. 20032 or via e-mail at james_rosenstock@nps.gov.
